Peter DeFazio; Earl Blumenauer; Greg Walden; Suzan Bonamici; Kurt Shrader; www.katu.com; www.kgw.com; www.koin.com; *Newport Fisherman's Wives*; ginny.goblirsch@gmail.com; *Newport City Council*; Oregon House of Representatives

I am disabled veteran of the United States Marine Corp. and I find it still to be my duty to serve this country in whatever form I can.

Currently the community I live in is faced with the hard truth that budgets equate to the value and critical response time to life saving services that our Coast Guard provides to the Central Oregon Coast. As the owner of a local janitorial company I would like to extend our service of janitorial and floor maintenance in the form of donated labor and associated costs performed by Associated Cleaning Services for the United States Coast Guard Air Facility in Newport, Oregon.

Associated Cleaning takes pride in this country and in our community; that is why we are prepared to service the USCG Air Facility three nights a week for the next five years to set the standard through leadership that Americans when banded together can overcome any obstacle, even budgets. This donation of services would equate to over \$50,000.00, and if that is what it takes to help encourage the lifesaving services to remain in Newport, then, that is what I am willing to do. The USCG motto is Semper Paratus; Always Ready, not I'll be there in ninety minutes. My motto hasn't changed since I enlisted at age nineteen, "Always Faithful" and now in my thirties you can still count on me to be faithful to my country and to my community.

Furthermore; I would like to acknowledge the heroism, the call to duty, and strength that the USCG has always provided to our communities and I ask you this; reconsider your evaluation of the USCG Air Station in Newport Oregon, accept our donation of services, and continue to respond in the same capacity to our maritime families.

Respectively,

Travis L. Kittel

Semper Fidelis; Always Faithful
