

We want to hear from you!

The Port of Newport is kicking off the five-year update of the Port's Strategic Business Plan and Capital Facilities Plan.

On Tuesday, **November 20th**, the public is invited to attend an Open House at Newport City Hall, Council Chambers, from **4 to 6 pm**. We'd like input from the Community on the planning for the Port moving forward.

You will have the opportunity to speak with the BergerABAM consulting team, the Port Commissioners, and others in the community about your ideas for Port priorities and goals looking ahead for the next five years.

Your input is valued and will help inform the Commissioners in putting together a Strategic Business Plan and Capital Facilities Plan for the near future.

Check the Port's website for updates on the planning process:

We hope to see you there!
