

The Port of Newport will harvest and replant eelgrass on the south side of Yaquina Bay adjacent to the NOAA MOC-P facility. The project is part of the Port's permit obligation for mitigation. If you would like to assist, please show up by the restroom at the northeast corner of the South Beach Marina. There will be someone there to greet you and provide instructions. The harvest and replanting will take place at low tide on Monday, June 4, 6:00 AM-9:00 AM; Tuesday, June 5, 6:30 M-9:30 AM; and Wednesday, June 6, 7:00 AM-10:00 AM. Dress as you would for clamming. Hip boots are recommended. Call Don Mann at 541-265-7758 for more information.
